

Directions to find Sutton Court Farm.

The easiest way to find Sutton Court Farm is from the A49.

On the north side of Ludlow take the turning to Much Wenlock & Bridgnorth across the race/golf course (B4365).

Cross the race-course and take the first turning right to Stanton Lacy.

Go through the village turning left at the post-box, signposted Hayton, then left at the T-junction signposted Hayton, Sutton and Peaton.

After 2.5 miles you will see our sign on the right-hand side. Turn up the lane and when you see our timbered house turn into the courtyard.

n.b. if using SatNav our cottages are half a mile closer to Ludlow than the centre of the postcode area to which you will be directed. If you are using Google Maps, type in 'Sutton Court Farm' rather than the post code and you should get our exact location tagged.
